

SHOTGUN INSTRUCTOR CERTIFICATION

Pre-requisites: Student must be a sworn Law Enforcement Officer
Completed basic handgun/firearms instructor certification

Course Description:

This 32 hour POST approved Shotgun Instructor Certification course is designed to provide law enforcement firearms instructors the necessary skill and knowledge to develop and operate a law enforcement shotgun program for their agency. Students will learn how to develop and maintain a shotgun program, operate training ranges, diagnose shooting errors then make sustainable corrections in other shooters. The student will develop and practice the ability to instruct: appropriate set up and accessories for the shotgun, weapons maintenance, fundamentals of shooting, proper zeroing, "combat" shooting techniques, use of various positions and cover, efficient weapons manipulation skills, malfunction clearances, understanding wound ballistics, understanding the use of various lethal and less lethal munitions, tactics and techniques for fighting with the shotgun, low light / night techniques, and use of optical sights.

Course Learning Objectives:

- Understanding the limitations and advantages of the shotgun
- Equipment Available
 - Guns
 - Sights
 - Accessories
- Recoil Management
- Low Light/Flashlight Issues
- Maintenance
- Zeroing
- Ammunition
 - Buckshot
