

## CARBINE INSTRUCTOR CERTIFICATION

**Pre-requisites:** Student must be a sworn Law Enforcement Officer  
Completed basic handgun/firearms instructor certification  
Completed carbine/patrol rifle operator certification

### Course Description:

This 44-hour, POST-approved Carbine Instructor Certification course is designed to provide law enforcement firearms instructors the necessary skill and knowledge to develop and operate a law enforcement carbine program for their agency. Students will learn how to develop and maintain a carbine program, operate training ranges, diagnose shooting errors then make sustainable corrections in other shooters. The student will develop and practice the ability to instruct: appropriate set up and accessories for the carbine, weapons maintenance, fundamentals of shooting, proper zeroing, "combat" shooting techniques, use of various positions and cover, efficient weapons manipulation skills, malfunction clearances, understanding wound ballistics, tactics and techniques for fighting with the carbine, extended range shooting, low light / night techniques, and use of optical sights.

The training staff is comprised of individuals who have a wealth of experience as instructor trainers and utilizing these weapons in real world situations; from police patrol duty and police special weapons teams, to military Special Operations conducted in the War on Terrorism.

Students should expect a fast paced and physically active learning environment that will include running, kneeling and quickly assuming various unique shooting positions.
